

asustor

Release Notes

Update: Jan. 21, 2019

Name

ADA (ASUSTOR Download Assistant), Windows 2.0.1.37100

What's New?

- N/A

Change Log

- Corrected the Simplified Chinese text in settings.
- Miscellaneous minor issues fixed.

Known Limitations/Issues

- Cannot set 'Temporary file directory' for Download Center

A large, light blue, stylized watermark of the word "asustor" is centered on the page. The letters are lowercase and have a modern, rounded font style. The 'o' in "asustor" has a yellow highlight.

Bug Reporting

Please use the [online support form](#) or post in the ASUSTOR [online forum](#).
